**THE UNION WORKMAN TO HIS WIFE.**  
Wife, pull the blinds down closer  
And double lock the door  
Then get that shabby benny  
That yesteryear I wore,  
And sew a button on it—  
Sh-sh-sh! for there might be  
An agent of the Union  
Now keeping watch on me!  
You see, dear wife, it's different  
From how things used to go,  
Before this Union business  
Had tyranized us so.  
We had a little freedom—  
We sometimes had some work—  
Before this school us all to shirk.  
You used to mend my garments,  
I used to mend our shoes;  
In fact, we once came nearly  
Behaving as we chose.  
But now we've got the Union,  
"In union there is strength"—  
God knows I realize it,  
Will strange me at length.  
So pull the blinds down closer,  
And double lock the door,  
Then fix my shabby benny  
That yesteryear I wore.  
Some agent of the Union  
Might now be keeping tab,  
And I might be blacklisted,  
For, wife, you're a scab!

MURPHY, the Jeweler.

A large and appreciative audience greeted the first appearance on the local stage last night of Miss Helen Grantly as the leading lady in "In the Palace of the King." Miss Grantly's interpretation of Dona Dolores was very fine, while her support was of that class that makes one feel that several hours spent at the playhouse have not been thrown away. With such attractions as the one last night, in the hands of such a capable company, the Management of the Opera-house should feel that they have fully repaid the patrons. The next attraction, equally as strong, is "The Professor's Love Story" tomorrow night.

The case of James B. Howard, convicted of the murder of Senator Goebel, is set for oral argument in the Court of Appeals on Tuesday, November 24th.

The last Proceedings of the Grand Lodge of Kentucky, I. O. O. F., contains a handsome half-tone of the late Dr. John P. Phister of this city, who was Grand Master in 1881 and Grand Representative from 1886 to 1889.

A Good Name.

From personal experience I testify that DeWitt's Little Early Risers are unequalled as a liver pill. They are rightly named because they give strength and energy and do their work with ease.—W. T. Easton, Boerne, Tex.

Thousands of people are using these tiny little pills in preference to all others, because they are so pleasant and effectual. They cure biliousness, torpid liver, jaundice, sick headache, constipation, etc. They do not purge or weaken, but cleanse and strengthen. Sold by

J. Jas. Wood & Son, Druggists.

## UNDER-PRICED CARPETS!

They are just as fine carpets in their various grades as the best mills in the land are turning out today—same qualities, perfect in every particular, handsome patterns in harmonious colorings and wide variety of designs. The only reason in the world for selling them underprice is because we bought them underprice in securing the stock of Messrs. George Cox & Son. These opportunities:

8 patterns of Axminster at \$1 a yard from \$1.25.  
10 patterns of velvets at \$1 a yard from \$1.25.  
20 patterns Brussels at 85c a yard from \$1.  
35 patterns Ingrains at 50c a yard from 60c.

This offers a saving of five to fifteen dollars on a carpet, according to quality and quantity. An economy quite worth while.

AND NOW Mr. ARTHUR GOEBEL of Cincinnati is being "boomed" for Congress in Covington, to succeed the Hon. D. LINN GOOCH. That's all.

In the Ewing Precinct, Fleming county, where Judge HARBESEN was "savagely" fought for renomination by the local Democratic Editor, the Judge ran ahead of his state ticket.

SAM PARKS might find some way to engineer a strike in Sing Sing.—Louisville Herald.

He most certainly would if there was a single contractor in there who had as much as eighty cents.

A NEW YORK surgeon has been commissioned to pay \$5,000 for a single ear—to replace one lost by a patient. An advertisement in THE LEDGER will secure at least 10,000 ears each day, and for much less money.

THE triumph of the Amendment to the Constitution is now conclusively shown by the returns already in from every county in the state. The Amendment carried by over 20,000. The success of the measure is a great victory for Kentucky, as it will be an encouragement to capitalists to locate manufactures and other-wise invest their capital.

THE attempt of Major ESTES G. RATHBONE to vindicate his own good name by exposing the shortcomings of General LEONARD A. WOOD, one of his chief persecutors in Cuban affairs, and the avowed friendship of Senator HANNA for Major RATHBONE, have greatly displeased President ROOSEVELT, who thinks ex-Governor Brigadier-General WOOD is the greatest that ever happened.

THE bill which the Hon. OLLIE JAMES asks Congress to pass for the purpose of compelling Governor DURBIN of Indiana to surrender ex-Governor TAYLOR of Kentucky to Governor BECKHAM of Kentucky, is a direct blow to States Rights, a doctrine that used to be very near and dear to the old-fashioned Democratic heart. But what does a Goebel Democrat care for States Rights when he wants another victim for to camel's \$100,000 blood-money fund?

THE Snivel Service Fraud will, in all probability, never be applied to applicants for enlistment in the Army when there's fighting to be done. It makes no difference then whether a recruit knows the capital of his own state, just so he is able to walk or ride—and shoot. It's only when a fellow wants to carry letters or read the postal cards in a Postoffice, or do a little ordinary copying in one of the Departments at Washington, that he must know everything about everything that has nothing whatever to do with carrying letters or reading postals or writing in a book.

## A CITIZEN'S STORY.

Told By a Maysville Citizen For the Benefit of Maysville People.

The greatest importance attached to the following is that it concerns a Maysville citizen. It would lose three quarters of its interest if it involved some resident of Kalamazoo, Mich., or Woonsocket, R. I. Like all the testimony which has appeared here, and like all which will follow about the Old Quaker remedy, Doan's Kidney Pills, it comes from residents, fellow-citizens and neighbors. No other remedy can show such a record of home cures. Read this case:

Mrs. R. R. Housh of 394 Forest avenue says: "Doan's Kidney Pills quickly relieved Mr. Housh of backache which had been a source of discomfort to him for some time. I procured the remedy at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets, and its proven value is so great that it should be known throughout the world."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no substitute.

Five hundred thousand factories in the United States add \$5,600,000,000 in value to \$3,000,000,000 of raw material and their net output, exclusive of duplications, is more than \$8,000,000,000.

## The Best Remedy for Croup.

From the Atchison (Kan.) Daily Globe. This is the season when the woman who knows the best remedies for croup is in demand in every neighborhood. One of the most terrible things in the world is to be awakened in the middle of the night by a whoop from one of the children. The croup remedies are almost as sure to be lost, in case of croup, as a revolver is sure to be lost in case of burglars. There used to be an old-fashioned remedy for croup, known as hives syrup and tolu, but some modern mothers say that Chamberlain's Cough Remedy is better, and does not cost so much.

It causes the patient to "throw up the phlegm" quicker, and gives relief in a shorter time. Give this remedy as soon as the croupy cough appears and it will prevent the attack. It never fails and is pleasant and safe to take. For sale by J. Jas. Wood & Son.

**\$500 REWARD.**

The Farmers Mutual Aid Association of Mason County, Kentucky, offers a reward of \$500 for the arrest and conviction of the party or parties who burned the property of Colonel W. W. Baldwin and Langhorn Anderson, Esq., near Maysville, Ky., or will pay \$500 for the arrest and conviction of the party or parties that burned either of said properties.

By order of the Executive Committee, W. H. ROBB, President.

SMALLPOX cases in the Big Sandy region are as thick as Democratic votes in Lewisburg.

UNCLE SAM wants his ma—his Pana-ma.—Dover Messenger.

Sure, MIKE! But doesn't he want his Pana-ma both?

FINDING that the people of Covington have no further use for him as an official, Judge JEEMS PEWTERKIN TARVIN of the big bore threatens to move to Louisville for the practice of judicial politics.

THE striking butchers and plumbers of Cincinnati haven't seen fit, up to the present time, to indulge in rioting or other unlawful measures. There has been no stoning of workmen who have taken their places, such as has characterized the streetcar strike in Chicago. The public is always on the side of law and order; for this reason, the Cincinnati strikers deserve success; for the same reason, the Chicago outlaws should meet defeat.

UP to the time when Hon. W. O. BRADLEY was elected Governor of the state the Democrats claimed Kentucky by large but gradually decreasing majorities.

And while he was elected by a fair majority, they had so manipulated the districting of the state as to still hold the Senate.

In the next legislative election they scored a good working majority of both Houses of the Legislature. And then, conscious that they had about lost their majorities, they went to work to devise means of holding the state without majorities.

They took the election machinery out of the hands of the people and by passing the infamous Goebel Law put it into the hands of a Democratic Machine. They deliberately destroyed all chance of a fair election, and there has not been a fair one in Kentucky since that time; and will not be while that law stands.

In the election for Governor in 1899 a large part of the most intelligent and influential Democrats revolted at this action of their party and went against them. And when the election came off even the Democratic Machine had to declare TAYLOR and his associates elected, and they were duly sworn in. But the Legislature was Democratic, and they simply proceeded to rob Governor TAYLOR and the other Republicans of the offices to which they had been elected.

It is not a question of ordinary politics; it is a question as to whether the first principle of Republican and Democratic government shall stand. Shall the majority of the people rule, or shall we all be slaves to the Democratic Machine?

## Political Pickings

### THAT'S THE RIGHT STUFF!

Cynthiana Democrat.

It is more than probable that the incoming Legislature will take steps to amend the Constitution to eliminate the illiterate vote. The great majority of Negro voters, who pay no taxes and are a burden on communities, will be denied the right of suffrage unless they possess a certain degree of education. A great many worthless white voters will be disfranchised also, and they ought to be.

## NOTICE TO CREDITORS.

BUTTON STREET!

W. R. Smith & Co. are displaying in various show-windows of Maysville a few of the principal presents to be given away at the New Shoe Store Christmas morning.

It was thought advisable to exhibit these gifts in order to acquaint everybody with the fact that this is to be no "cheap" affair. Each article was purchased of a home merchant, and they are first class and up-to-date goods.

The elegant Morris Chair, for instance, comes from the "White Palace" Furniture Store. Peep in upon it and you will pronounce the chair "all right." If you are curious and want to know its cost, Mr. Winter is at liberty to inform you on that point.

Clooney & Perrine furnish the fine Opera Glasses, which are of a quality you need not feel ashamed should you become their happy possessor. They are ready for a "look" too.

At Schatzmann's China Store may be seen the pretty Parlor Lamp and the exquisite Jardiniere and Stand, perhaps the most elaborate things in stock, each fit for a "Palace of the King."

All money looks alike, and we deem it unnecessary to show the color of the cash at this stage of the proceedings. However, "it goes," the hundred dollars do, to fortunate certificate holders.

Pretty souvenirs for those who are unlucky.

## HOT WATER COMFORT!

Nothing coaxes away pain so readily as heat, and it is a simple and ever ready remedy that is best applied by means of a good Hot Water Bottle. We have a full stock of them, the variety is large and the goods are the best on the market. In buying these articles or any other item of rubber it pays to get quality. We do not handle the half-rubber kinds that are expensive at any price, but we do sell worthy Hot Water Bottles at very reasonable prices.

### CLIMATIC CURES.

The influence of climatic conditions in the cure of consumption is very much overdrawn. The poor patient, and the rich patient, too, can do much better at home by proper attention to food digestion and a regular use of German Syrup. Free expectoration in the morning is made certain by German Syrup; so is a good night's rest and the absence of that weakening cough and debilitating night sweat. Restless nights and the exhaustion due to coughing, the greatest danger and dread of the consumptive, can be prevented or stopped by taking German Syrup liberally and regularly. Should you be able to go to a warmer climate, you will find that of the thousands of consumptives there the few who are benefited and gain strength are those who use German Syrup. Trial bottles, 25¢, regular size, 75¢. At Henry W. Ray's, next door to Postoffice.

Stepped Against a Hot Stove.  
A child of Mrs. Geo. T. Benson, when getting his usual Saturday night bath, stepped back against a hot stove which burned him severely. The child was in great agony and his mother could do nothing to pacify him. Remembering that she had a bottle of Chamberlain's Pain Balm in the house, she thought she would try it. In less than half an hour after applying it the child was quiet and asleep, and less than two weeks was well. Mrs. Benson is a well known resident of Kellar, Va. Pain Balm is an antiseptic liniment and especially valuable for burns, cuts, bruises and sprains. For sale by J. Jas. Wood & Son.
